Re: Transfer of Notice of Intention, Small Mining Operations, Crescent Creek / May Day Mill Project, S/017/043, Garfield County, Utah

Dear Mr. Wilson:

On July 12, 2001, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the small mining project located in portions of Section 30 and 31, T31S, R11E, Garfield County, Utah from MCW Enterprises, LLC to Martinique Mining Corp. Before the Division could concur with this transaction, a field inspection needed to be performed. On October 26, 2001, a joint inspection with the BLM, was accomplished.

The Division Director signed and executed the transfer document on January 11, 2002., *which now effectively transfers the full responsibility of this mining operation and reclamation to Martinique Mining Corp.* A copy of the transfer form is enclosed for your files. MCW Enterprises, LLC is hereby officially released from any further reclamation responsibilities at this project.

Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program

DIVISION APPROVAL CERTIFICATION

This is to certify that I have examined this application for transfer of the aforementioned small mining operation and do hereby grant approval of the same, subject to the following limitations:

- (a) This transfer of small mining permit grants only the right to affect the lands as legally described in this application.
- (b) The transferee, or such other person as required by UCA 1953, Title 40-8, as amended, has acquired the legal right to enter and mine the lands as described in this application.
- (c) A topographic map of suitable scale is attached (as Appendix "A") which clearly outlines and labels the existing disturbed area boundaries through the date of this transfer.
